Stability AND Permanency

Do you realize that a City Directory advertisement is a testimonial to the permanency, the stability, of the advertiser?

That's the sort of concern all of us want to patronize, because we know when they sell us merchandise they are behind it in every way, today, tomorrow, and for the years to come.

"Fly-by-night," "fire-sale" and other temporary or *"get-rich-quick"* concerns rarely appear in the City Directory.

And it is a noteworthy fact that the concerns which advertise one year in the city directory are there again next year. 90% of directory advertising is renewed.

Directory advertising, is profitable. In connection with the classified business headings it is doubly effective.

May we explain how and why it will pay you?

Good Photographs
Good Copy
Good Art Work
Good Engravings
Good Printing

—All these are required to get your printed message over.

—Talk to us before you settle all the details of your plan. Consult us before you prepare your copy. We will contribute ideas that will support and strengthen the purpose of your booklet or other printed matter—and one right idea at the start is worth a dozen "happy thoughts" that come too late.

—We will furnish you with good photographs, give you forceful writing and clever ideas of design, and help you to a high class, finished product.

—Phone 3889 and let us discuss your art and engraving problems with you.

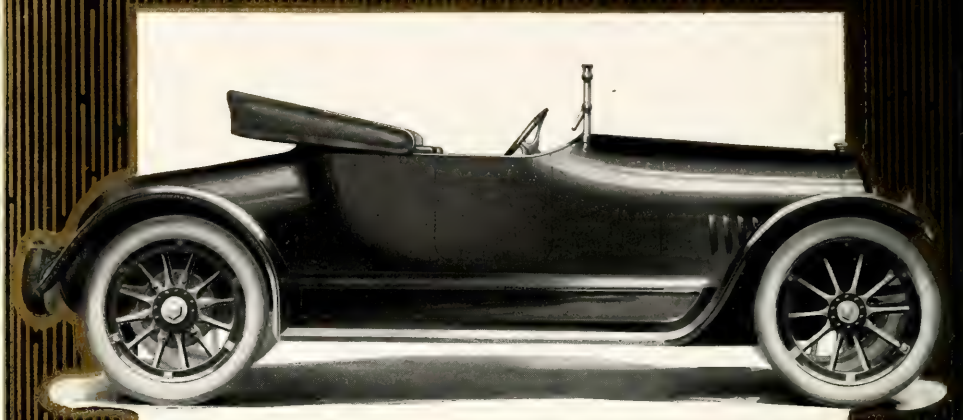
PRINTING IS SALESMANSHIP ON PAPER

IN buying printing there are two things to consider -- what does it *cost* and what will it *earn?*

What printing costs depends on the *overhead* of the printer and the kind of work you buy.

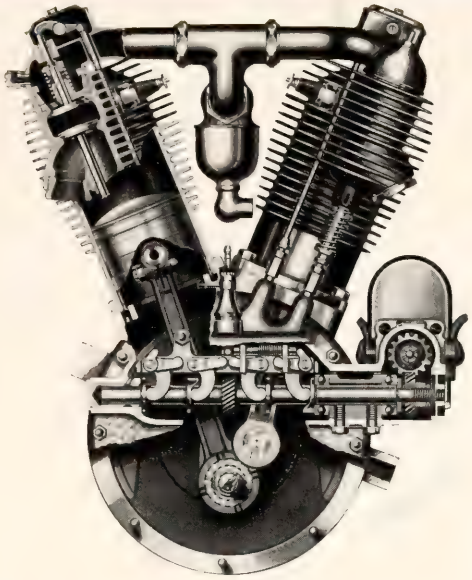


The best work is never too good, but you ought *not* to spend your money for plush rugs, push-buttons and luxury.

Art Press prices go for pure *printing* -- our overhead is the lowest we know of, where the work is absolutely high class.

Don't let the known quality of the Art Press scare you away--*our prices are among the most reasonable.*

THE ART PRESS



CENTURY BLDG INDIANAPOLIS

HERE is a *Cole eight cylinder motor car*--not just any motor car. The individuality of this particular car is brought out faithfully = its character, its distinctive lines = *its own sales story*. And look how pleasantly it tells its story. Really this picture makes you *want* a car just like it. That's what you call printing that *sells* = it's the kind that you ought to have for *your* goods. You can get this *selling* sort of printing at the Art Press. We printed the picture you are looking at. That's the proof.

THE ART PRESS

CENTURY BLDG INDIANAPOLIS

WE ask to be known only by our works. Look at this mechanical illustration with its velvety, perfect execution. It takes a master printer to do this class of work. It was done in our shop, and just think -- this sort of printing at the Art Press costs little if any more than ordinary printing. *The best "shows" do not always get the biggest prices at the box office.*

THE ART PRESS

CENTURY BLDG INDIANAPOLIS

NO ONE LIKES TO BE FORGOTTEN

We all hope to be remembered for some little deed that we have done a little better. Our ambition is to work a little more intelligently, think a little more clearly, and realize a little more keenly our responsibility to those who entrust their work in our hands. If we succeed in these simple things you will find on the page of Time, this imprint---
